1,027 signature pages bearing 11,031 signatures for initiative petition serial number C-02-2006 have been refused for filing in this office because the person circulating was a county recorder or justice of the peace at the time of circulating the petition or due to defects in the circulator's affidavit. A total of 3,448 signatures included on the remaining petition sheets were found to be ineligible. Of the total random sample of 14,457 signatures, a total of 2,439 signatures were invalidated by the county recorders resulting in a failure rate of 16.87 per cent.
